Worship Team Honor Code

As an essential part of the TPCC worship leadership team, you have a responsibility to develop and exhibit mature Christian behavior. This should be the basic premise of your desire to work in a Servant/Leader position here at TPCC.

While serving the body of Christ as a leader at TPCC, in both attire and behavior, you should strive to demonstrate Biblical standards in all situations.

As Christians, the way we present ourselves to others is of vital importance to the way others perceive Christ. Our conduct should never be an embarrassment to Christ, but should exemplify the best qualities of a mature believer and Servant/Leader.

Exemplifying the highest moral commitment, TPCC worship team members are to maintain a disciplined life of Bible reading, and prayer while refraining from behaviors that might cause others to stumble.

By providing an example in speech and action, we encourage others to grow in Christ and become Servants/Leaders themselves. This is a way of life measured by the heart and commitment of each leader in the TPCC worship leadership team. We should regard it as an essential part of our development, not as an imposition or restriction. We should, in all things, desire to point others solely to Jesus.

Worship Team Attire

We want to be intentional with everything we do & even what we wear. We want to remove unnecessary barriers to help attendees & guests know they're welcome here, without distracting from the purpose of our gathering: to create an outstanding environment, that is authentic, excellent and engaging.

Some helpful things to think of when picking out what you will wear:

- "If you question it, don't wear it."
- "We don't want people remembering what we wore, we want people remembering how they encountered Jesus."

Guidelines:

- casual & stage appropriate
- always use modesty
- somewhere to clip on your wireless monitor pack
- not too short – the stage is elevated off the ground, so what might be appropriate for off stage might not be appropriate when on stage
- not too tight

"if you question it, don't wear it"
