- **Missional Partner/Organization – Josiah Venture (JV):** We are excited to partner with Josiah Venture as it ignites a movement of God within the hearts of central and eastern European youth, where Christianity has nearly been extinguished. JV is having tremendous influence engaging youth through English, music, and sports camps. As a result of these camps, youth are coming to Christ in unprecedented numbers as they learn about the love of Jesus and how they can use their talents for His glory.
